## **ATHLETICS CARNIVAL INFORMATION**

Our school athletics carnival will be held on **FRIDAY 2ND JUNE** at the town oval. All students 8 years to 12 years will be participating in the full day carnival and children 5-7 years old will be coming by bus to the oval at lunch time-approximately 12.45pm. Lunch orders will be available at the oval canteen for all students K-6.

We hope parents will be available to help on this day.

The **high jump** event will be at our school oval on **TUESDAY 30TH MAY**.

**Parents are welcome to attend- we will begin the high jump at 9.30am with the 12 and 11 year olds. After lunch-which is 11.45am we will continue with the 10 year olds, then 9 year olds, then 8 year olds.**

The Western Region Athletics Carnival will be held on **WEDNESDAY 26TH JULY** in **DUBBO**.

### **Sorry Day 2023**

**Students will be accompanied by staff to attend the Sorry Day March and assembly at the Town Hall on Friday 26th May. We will leave school at 10am.**

Food Allergy Week is an initiative of A&AA and is dedicated to promoting community understanding of food allergy to help protect those at risk. Australia has the highest incidence of food allergy in the world, and it's growing at a rapid rate with the country seeing a 7% year on year increase in food allergy fatalities over the last 15 years. We estimate that there are more than 500,000 Australians with a diagnosed food allergy and many more undiagnosed.

The theme for Food Allergy Week 2023 is adrenaline injector first for anaphylaxis, asthma reliever second: a life-saving order. Many people that have both food allergy and asthma sometimes confuse anaphylaxis for asthma. If you have food allergy and asthma and you experience sudden breathing difficulty within a few hours after eating, always use your adrenaline injector first and then your asthma reliever puffer. If in doubt, give adrenaline injector first.

Last week SRC students started their leadership lessons with Mrs Goard in the Library.

These lessons begin with a video clip focused on the current leadership topic and then students are asked to reflect upon the topic within their leadership booklets.

This week students focused on 'Being A Role Model'. The next topic is 'Confidence'. SRC will meet every third Tuesday.

### K-6 Maths Units

At St Lawrence's School we are preparing for the new Mathematics Syllabus. Mrs Toni-Maree Charlton (CEDB Mathematics Coordinator) visited our school last week from Bathurst. She assisted teachers with the implementation of the new Mathematic units. All students participated in a lesson with Mrs Charlton while teachers watched on.

### Mr Stink Zoom with Stage 3

Last Wednesday, Year 5 and 6 participated in a ZOOM session about the production Mr Stink (a book turned into a play). The ZOOM was interactive with students playing a few games and they had a chance to ask the director a few questions. Students enjoyed interacting with other schools and finding out more about the play. Year 5 and 6 are attending a live performance of Mr Stink in Tamworth on the 9th of June.
